Dearest Cassie Lee,

attached is a print of what I
have gotten together on the family tree.
I don't vouch for the accuracy of any of it
except the 3 weld branches descending
from the the 3 Rogers Daughters (Twinsthys)

Thanks for your part of it and helping
preserve the information for posterity.
seriously - after our generation is gone
I doubt if any one could have put it
together even if they had all the information,
as we know so many of these old timers
personally & had talked to them.

Best wishes to you and your family

Longino
